

Protect Your Credit Union with Sonitrol Total Security

A Secure Investment

For years, members have trusted Credit Unions to safeguard their money. In turn, Credit Unions have consistently turned to Sonitrol to protect their property and people because Sonitrol offers complete coverage and the most reliable technology on the market.

Complete Protection

- Activation of hold-up button transmits live audio to Sonitrol's Central Station providing real-time information to responding authorities.
- By controlling door access, Sonitrol limits liability and ensures the safety of customers and employees.
- Sonitrol can monitor movement indoors and outdoors with CCTV. This deters theft, damage or destruction of equipment and property; it discourages vandalism; it can record ATM transactions to protect from false transactions and internal theft.
- Monitor smoke and heat detectors, sprinkler monitoring devices and pull stations from Sonitrol's monitoring station.

The Right Choice
